Below is an agreement for services provided to you on your wedding day. Details are listed so that everything is very clear and there are no misunderstandings.

**DEPOSIT POLICY:** A 50% deposit is due 2 months before your wedding date. Final payment is due 2 weeks before your wedding day. Gratuities are not included in your final payment. Cancellations, with less than 2 weeks notice, will forfeit their deposit.

**TRAVEL:** No travel fee required.

**CONTRACTED SERVICES:** Additional hair and make-up services may be added on your wedding day as long as the stylist/make-up artist is able to do so. Once paid for, services cannot be taken away.

- The Bride's Trial is required for her chosen services (hair/make-up).
- It is recommended that you wear a button down or zipper shirt for ease in changing into your wedding clothes without ruining your hair and make-up.
- If anyone in the bridal party has thick or long hair, please let us know when you give us your final payment so we can schedule an appropriate amount of time for this client.
- If you are getting an "updo" please come with clean dry hair. If hair is wet, there will be a fee of \$25 to dry it.

If you agree to the above terms, please sign and return this agreement to Fusion Salon for our records.
